

PART V - Income

ID	How satisfied are you with your income from collecting secondary raw materials?	How do you think your income from collecting secondary raw materials could be increased?	How confident are you in your ability to increase your income from collecting secondary raw materials?	What obstacles or challenges prevent you from increasing your income from collecting secondary raw materials?
1	Very dissatisfied	Better price for collected secondary raw materials	Not confident enough	Access to more profitable sources of secondary row materials
2	Very dissatisfied	Improved efficiency in collection and processing	Not confident enough	Prices of secondary row materials
3	Neither satisfied nor dissatisfied	Better price for collected secondary raw materials	Neutral	Lack of support and resources
4	Neither satisfied nor dissatisfied	Better price for collected secondary raw materials	Neutral	Prices of secondary row materials
5	Dissatisfied	Easier access to better-paid sources of secondary raw materials	Confident	Prices of secondary row materials
6	Very dissatisfied	Better price for collected secondary raw materials	Not confident enough	Demand for secondary row materials
7	Very dissatisfied	Improved efficiency in collection and processing	Not confident enough	Prices of secondary row materials
8	Neither satisfied nor dissatisfied	Better price for collected secondary raw materials	Neutral	Prices of secondary row materials
9	Neither satisfied nor dissatisfied	Improved efficiency in collection and processing	Neutral	Lack of support and resources
10	Dissatisfied	Easier access to better-paid sources of secondary raw materials	Confident	Prices of secondary row materials
11	Very dissatisfied	Better price for collected secondary raw materials	Not confident enough	Demand for secondary row materials
12	Very dissatisfied	Improved efficiency in collection and processing	Not confident at all	Prices of secondary row materials
13	Neither satisfied nor dissatisfied	Better price for collected secondary raw materials	Neutral	Prices of secondary row materials
14	Neither satisfied nor dissatisfied	Better price for collected secondary raw materials	Very confident	Lack of support and resources
15	Dissatisfied	Better price for collected secondary raw materials	Confident	Prices of secondary row materials
16	Very dissatisfied	Better price for collected secondary raw materials	Not confident enough	Demand for secondary row materials
17	Very dissatisfied	Improved efficiency in collection and processing	Not confident enough	Prices of secondary row materials
18	Neither satisfied nor dissatisfied	Better price for collected secondary raw materials	Neutral	Lack of support and resources
19	Satisfied	Better price for collected secondary raw materials	Neutral	Prices of secondary row materials
20	Satisfied	Easier access to better-paid sources of secondary raw materials	Confident	Prices of secondary row materials

21	Very dissatisfied	Better price for collected secondary raw materials	Not confident enough	Demand for secondary row materials
22	Very dissatisfied	Easier access to better-paid sources of secondary raw materials	Not confident enough	Prices of secondary row materials
23	Neither satisfied nor dissatisfied	Better price for collected secondary raw materials	Not confident at all	Lack of support and resources
24	Very dissatisfied	Easier access to better-paid sources of secondary raw materials	Not confident at all	Prices of secondary row materials
25	Dissatisfied	Easier access to better-paid sources of secondary raw materials	Confident	Prices of secondary row materials
26	Very dissatisfied	Better price for collected secondary raw materials	Not confident enough	Demand for secondary row materials
27	Very dissatisfied	Improved efficiency in collection and processing	Not confident enough	Prices of secondary row materials
28	Neither satisfied nor dissatisfied	Better price for collected secondary raw materials	Neutral	Prices of secondary row materials
29	Very dissatisfied	Better price for collected secondary raw materials	Very confident	Lack of support and resources
30	Dissatisfied	Easier access to better-paid sources of secondary raw materials	Confident	Access to more profitable sources of secondary row materials
31	Very dissatisfied	Better price for collected secondary raw materials	Not confident enough	Access to more profitable sources of secondary row materials
32	Very dissatisfied	Improved efficiency in collection and processing	Not confident enough	Prices of secondary row materials
33	Neither satisfied nor dissatisfied	Better price for collected secondary raw materials	Neutral	Lack of support and resources
34	Neither satisfied nor dissatisfied	Better price for collected secondary raw materials	Neutral	Prices of secondary row materials
35	Dissatisfied	Easier access to better-paid sources of secondary raw materials	Confident	Prices of secondary row materials
36	Very dissatisfied	Better price for collected secondary raw materials	Not confident enough	Demand for secondary row materials
37	Very dissatisfied	Improved efficiency in collection and processing	Not confident enough	Prices of secondary row materials
38	Neither satisfied nor dissatisfied	Better price for collected secondary raw materials	Neutral	Prices of secondary row materials
39	Neither satisfied nor dissatisfied	Improved efficiency in collection and processing	Neutral	Lack of support and resources
40	Dissatisfied	Easier access to better-paid sources of secondary raw materials	Confident	Prices of secondary row materials
41	Very dissatisfied	Better price for collected secondary raw materials	Not confident enough	Demand for secondary row materials

42	Very dissatisfied	Improved efficiency in collection and processing	Not confident at all	Prices of secondary row materials
43	Neither satisfied nor dissatisfied	Better price for collected secondary raw materials	Neutral	Prices of secondary row materials
44	Neither satisfied nor dissatisfied	Better price for collected secondary raw materials	Very confident	Lack of support and resources
45	Dissatisfied	Better price for collected secondary raw materials	Confident	Prices of secondary row materials
46	Very dissatisfied	Better price for collected secondary raw materials	Not confident enough	Demand for secondary row materials
47	Very dissatisfied	Improved efficiency in collection and processing	Not confident enough	Prices of secondary row materials
48	Neither satisfied nor dissatisfied	Better price for collected secondary raw materials	Neutral	Lack of support and resources
49	Satisfied	Better price for collected secondary raw materials	Neutral	Prices of secondary row materials
